December 2, 2009

Board of Supervisors  
Prince Edward County Courthouse  
Farmville, Virginia 23901

To the Members of the Board of Supervisors:

After a full year of construction, your new library is nearly finished. I would like to invite the members of the Board and Mr. Bartlett on a walk-through tour of the building before the shelving and furnishings are installed.

We will be conducting the final punch list inspection on December 30 at 11 am and I would be pleased to have the Board join us at that time.

Sincerely,

Peggy Epperson  
Director

Piedmont  
Soil & Water Conservation District  
100-B Dominion Drive  
Farmville, Virginia 23901

VIRGINIA SOIL & WATER  
C O N S E R V A T I O N

The Mission of the Piedmont Soil and Water Conservation District is to provide technical, educational and financial resources to the citizens of Prince Edward, Nottoway and Amelia Counties in order to promote the wise use and conservation of soil, water and related resources. The PSWCD is an organization of elected and appointed volunteers and trained staff that guides decision-makers and stakeholders in the conservation of soil and water.

December 1, 2009

William G. Fore, Jr.  
Chairman - Prince Edward Board of Supervisors  
2670 Back Hampden Sydney Road  
Farmville, VA 23901

Dear Mr. Fore,

Mr. Don Gantt, Jr., a director on the board of the Piedmont Soil and Water Conservation District elected to represent Prince Edward County, resigned his position effective December 31, 2009 due to his election to the Prince Edward County Board of Supervisors in November. With the vacancy of an elected director, the county the position represents and serves must be notified.

Mr. Gantt's term on the board expires December 31, 2010. We are currently taking applications for a volunteer director position to fulfill his unexpired term. An associate director who has served on the Piedmont SWCD board since 2001 has applied, but if you have someone in mind that you would like to refer, please let us know by December 14, 2009. We will nominate one person whose name will be put forward at the Virginia Soil and Water Conservation Board.

Enclosed is an information sheet about director responsibilities. Please refer interested persons to our secretary Robin Buckalew at phone number 434-392-3782 ex: 131.

We value our partnership and look forward to mutual success in the coming new year.

Sincerely,

Larkin Moyer  
Piedmont SWCD Chairman of the Board

cc: Wade Bartlett

## Sarah Puckett

**To:** Puckett, Sarah [DHCD-CLG] (DHCD)  
**Subject:** Sandy River comments

Sarah,

We completed another creel survey this past year (March - October) and I thought I'd share some quick angler sentiments with the County. After we ask anglers what they caught, where they're from, how long they fished... we give them a chance to comment to us at the end of the interview. Pretty much universally anglers love this resource. They're impressed with the ramp, the parking lot, the aesthetics of the reservoir, as well as the fishery. I thought you would appreciate hearing that anglers do appreciate the work that goes into this resource and that I appreciate the relationship the County and the Department have working on this wonderful place.

Dan
