FOR RELEASE IMMEDIATELY AFTER DOORKNOCK

(Cullen, VA) – Over the next seven days, Ken Broadwater Homes of Cartersville, VA and his hardworking, talented team of subcontractor and vendor partners will work around the clock with teams of local volunteers to build the Lucas family the house of their dreams in Prince Edward County, VA, compliments of the hit television show *Extreme Makeover: Home Edition*.

Early on Monday, December 3, Ty Pennington and his crew surprised a local family with his unmistakable trademark megaphone shout: "Good Morning, Lucas Family!" Until the moment of the crew's arrival, the Lucas family had no idea that their home had been selected for this extreme remodel. Mrs. Lucas and her two children were completely surprised. They had no idea the preparations the EMHE crew had been making to make their dream home a reality.

The family is now packing for a week-long resort vacation in Florida.

Over the course of the next week, Ken Broadwater and his team will collaborate with local community members to do the impossible: build an entire house in a mere six days from foundation to finishes. When the project is complete the result will be even more than just a house, it will be the Lucas family home.

Extreme Makeover: Home Edition, which has won back-to-back Emmy Awards as Best Reality Program (non-competitive), is in its fifth season on ABC. The program is produced by Endemol USA, a division of Endemol Holding. Denise Cramsey is the executive producer, and David Goldberg is the president of Endemol USA.

All media contacts and requests should be directed to the
Sunchase Media Team Office (434) 391-7220

****Please be respectful of the Lucas family's personal information throughout this project.****

Media are welcome at the site for the duration of the build. Members of the media should plan to park at the Sunchase Office (501 Sunchase Blvd. Farmville, VA 23901). Press ID is required upon arrival, and advance arrangements are highly recommended. News releases and other media materials about the build will be available via www.kenbroadwaterhomes.com, on-site, and through the above media contacts
