

August 14, 2012

At the regular meeting of the Board of Supervisors of Prince Edward County, held at the Court House, thereof, on Tuesday, the 14th day of August, 2012; at 7:00 p.m., there were present:

Howard M. Campbell

Pattie Cooper-Jones

William G. Fore, Jr.

Don C. Gantt, Jr.

Robert M. Jones

Charles W. McKay

Howard F. Simpson

Jim R. Wilck

Also present: Wade Bartlett, County Administrator; Sarah Elam Puckett, Assistant County Administrator; Sharon Carney, Economic Development Director; James Ennis, County Attorney; and Kevin Wright, VDOT.

Chairman Fore called the meeting to order. Supervisor McKay offered the invocation.

In Re: Public Participation

Chairman Fore read the Public Participation Policy, adopted at the September 2009 meeting:

Public Participation is a time set aside for citizens to share their thoughts, ideas and concerns. An official record is made of each person's contribution tonight and will be directed to the County Administrator for follow-up; any necessary follow-up will be noted and tracked. Follow-up may consist of an immediate response, or planned action by the County Administrator or Board, or by placement on a future Board agenda. Tonight's agenda cannot be changed because the public needs advance knowledge of and the opportunity to review related materials regarding items addressed by the Board. To further assist public information, the Board requests our Administrator, Attorney or county staff immediately correct any factual error that might occur.

Jane Schirmer, Executive Director, Southside Family YMCA, reported on the YMCA Summer Program. She thanked the Board for its partnership and said there were 116 children participated in the program this summer; compared to 33 last summer. She stated the YMCA could not have done the program without the support from the County, the schools, Longwood and the library.

Mary Beth Echeverria, Lockett District, expressed her concern regarding the noise ordinance and her right to quiet enjoyment of her property which is being infringed upon due to a neighbor's dog barking excessively. She asked for the assistance of the Board.

Roy Echeverria, Lockett District, also expressed his concern on the same topic.

Michele Schumacher, Lockett District, voiced her concern regarding the Granite Falls [Hotel and Conference Center] project and that the Board has taken a "moral obligation to replenish the Bond Reserve Fund." She questioned the time limit placed on the land reverting to the County if the deal does not go through and the dissolution of the Granite Falls CDA if the real estate has not be acquired by the purchaser or its designee within two years after the adoption of the ordinance. She also questioned the price received for the property, adding that the Board has the fiduciary duty to obtain the best price for the land. She stated the property should be marketed to more viable developers for development.

In Re: Board of Supervisors Comments

Supervisor Cooper-Jones stated she is impressed with the operation of the YMCA Summer Program. She also thanked Ms. Schumacher for her comments.

Supervisor Jones stated a citizen suggested a bus stop be set up on the new road to pick up the students to take them into the school campus for drop-off at the school, to alleviate more of the traffic from parents driving into the campus.

In Re: Consent Agenda

On motion of Supervisor Jones and carried:

In Re: Virginia Department of Forestry

Mr. Tom Zaebst, Assistant State Forest Manager, presented a check in the amount of \$ 24,758.62 for the County's share of the proceeds of timber sales in the Prince Edward-Galleon State Forest.

In Re: Highway Matters

Mr. Kevin Wright, Residency Administrator, VDOT-Dillwyn, introduced Scott Shipley, who will be working at the Dillwyn Residency.

Mr. Wright stated a Design Public Hearing regarding the Route 623 project at Twin Lakes State Park will be held on August 28; the bridge will remain open. A Design Public Hearing regarding Route 643, Back Hampden Sydney Road, will be held on September 25 at the Farmville Shop. Mr. Wright stated the design work for the Route 601 pave-in-place project (Aspen Hill Road) is progressing.

Supervisor Gantt stated he plans to attend the Public Hearing on August 28 from 4:00 – 6:00 p.m. at the Cedar Crest Conference Center and invited citizens to attend and discuss the bridge project or other projects.

Supervisor Simpson expressed his thanks for the completion of projects.

Supervisor Campbell requested a speed limit reduction at the intersection of Routes 626 and 657. Mr. Wright stated he will forward the request; a review of the area will be done within 60-90 days.

In Re: Route 786 Update

Mr. Wade Bartlett, County Administrator, stated the project continues to be ahead of schedule and appears it will be completed by the end of the calendar year, and could be completed as early as November. Mr. Bartlett added that discussion should begin shortly regarding adjustments in existing traffic patterns to maximize the beneficial impacts Route 786 will have on the existing problems through the school campus and congestion at the intersection of U.S. 15/Route 628.

Chairman Fore requested the committee comprise Supervisor Simpson (Chair); Supervisor Gantt, Russell Dove, School Board Chairman; Dr. Smith, Superintendent; Mr. Bartlett; and Mr. Wright, VDOT and any other VDOT employees deemed necessary by VDOT.

Supervisor Simpson made a motion to approve the recommended committee to work on the Route 786 traffic patterns; the motion carried:

Aye:	Howard M. Campbell Pattie Cooper-Jones William G. Fore, Jr. Don C. Gantt, Jr. Robert M. Jones Charles W. McKay Howard F. Simpson Jim R. Wilck	Nay: None
------	--	-----------

Mr. Wright stated Mr. Jerry Harder, Traffic Engineer and staff will review the area; the road will be a state-maintained road and VDOT will make the final decision.

In Re: Prince Edward County Extension Leadership Council

Mrs. Sarah Elam Puckett, Assistant County Administrator, stated Jennifer Bowen, Prince Edward County Extension Office, requested the Board of Supervisors appoint a member of the Board to the Prince Edward County Extension Leadership Council (ELC). The Council meets quarterly.

Supervisor Jones agreed to serve as the Board representative on the Prince Edward County Extension Leadership Council; the Board concurred.

In Re: Transportation Enhancement Grant: Prospect Depot

Mrs. Sharon Lee Carney, Director, Economic Development, stated that in January 2011, the Board of Supervisors appropriated \$22,000 in addition to a previous \$45,000 appropriation to fulfill the architectural contract with CJMW for the development of building construction plans for the Prospect Depot. Finally in June 2012, the draft plans were sent to various agencies for review. This review phase involves expenses related to printing of plans, agency review fees and plan changes by the architect which have not been expensed before. It has been verified with VDOT that all of these expenses are eligible for reimbursement to the County. Mrs. Carney requested the Board of Supervisors appropriate \$40,000 to cover the costs mentioned.

Mrs. Carney then stated VDOT recently accepted the value of the Depot building site at \$44,958 towards the 20% match requirement to the Enhancement Grant funds. This releases approximately \$224,000 of Enhancement Grant Funds for the Depot Project. To date, \$64,891 in grant funds have been spent. The Prospect Historical Society and DCR have provided \$60,998 toward their match requirement. Total Enhancement Grant Funds awarded to the project are \$501,000 and the total match requirement is

\$125,250. Actual construction of the facility is not expected to begin until the entire required matching funds are approved by VDOT.

Chairman Fore stated Prince Edward County is currently functioning as fiscal agent for the funds and will request periodic reimbursement from VDOT, will review all expenditures, and oversee construction. Mrs. Carney added that to date, the County has been fully reimbursed by VDOT for all completed work.

Supervisor McKay made a motion to approve the budget amendment and appropriate the same funds of \$40,000 to cover the costs associated with preparation of plans for the final construction plan approval; the motion carried:

In Re: Cannery – Request for Proposals

Mr. Bartlett stated that at its June 12, 2012 meeting, the Board of Supervisors approved the advertisement of a RFP for bids for contracting the commercial operations of the Cannery. The goal was to bring a greater entrepreneurial focus to the development of the commercial component of the Cannery and allow the Cannery to reach its full potential as a food business generator.

One proposal was received, which was from Virginia Food Works, Inc. The proposal fulfills the County’s stated desire of promoting agri-business in Prince Edward County. Virginia Food Works proposes to:

- Provide local producers with access to value-added foods market
- Assist in the development of food businesses
- Assist growers to maximize the potential of their land

- Create an entrepreneurial hub which will stimulate further development of businesses in our region: processors, growers, distributors, consumers (including restaurants)
- Provide a means to supply local foods to institutions and food bank operations
- Assist local growers and food business entrepreneurs comply with regulatory processes that are cumbersome and can be perceived as an obstacle
- Provide a Co-packing service to area growers

Strengths of Virginia Food Works:

- Partnerships with VDACS, VA Farm Bureau, VA Food System Council, VSU College of Agriculture and VT Department of Food Science & Technology, VA Cooperative Extension.
- Has included Cannery in a Feasibility Study sponsored by Virginia Department of Agriculture.
- Familiar with Prince Edward Cannery; has researched equipment needs, and processed over 6,500 jars at the facility
- Organized as a 501(c)3 non-profit entity with a mission to assist agricultural producers to maximize the potential of their land by fostering agribusiness development and offering easier entry in the food business market by assuming responsibility for many regulatory standards that are often prohibitive to industrial producers; to help social service organizations maintain adequate supplies of healthy food; and provide residents, schools, restaurants and institutions with access to safely-processed, state-inspected local foods.

Mr. Bartlett said that Virginia Food Works proposes to provide all management of commercial cannery operations and assist in the development of local food based businesses at a cost of \$35,000 for a one year contract to commence on a date to be determined by negotiation with the vendor with the option to renew for two one year periods.

This cost can be accommodated in the existing budget. Approximately \$13,100 in personnel cost currently budgeted for the Cannery will be saved by shifting management of the commercial cannery operation from in-house to a contracted service. Additionally, \$19,600 can be moved from the General Properties budget due to the resignation of a part-time employee whose duties will be absorbed by existing staff. These savings total \$32,700; the final \$2,300 can be funded from savings associated with the Director of Planning.

Ms. Allie Hill, Virginia Food Works, gave a brief presentation and stated 90% of all food in Virginia is imported or grown elsewhere, even though a tremendous amount is grown here, Virginia doesn't have a single freezing or canning facility for commercial production of Virginia produce.

Supervisor Simpson asked if this would affect existing staff; Mr. Bartlett said it will not.

Supervisor Jones asked for clarification that home canners will not be affected. Discussion followed on the existing and proposed schedule.

Supervisor Jones made a motion to award a contract for management of commercial operations of the Prince Edward Cannery to Virginia Food Works, and to authorize the Chairman and/or the County Administrator to develop and execute all necessary contract documents on behalf of the County.

Supervisor Gantt questioned the status of the insurance and Workers Compensation carried by the non-profit organization. Discussion followed on the inclusion of minimum limits, Products and Completed Operations Waiver and Workers Compensation added into the contract. Ms. Hill stated the insurance policies are based on the grocery stores and the schools; there is a \$2 million policy in place.

Chairman Fore restated Supervisor Jones' motion to award a contract for management of commercial operations of the Prince Edward Cannery to Virginia Food Works, and to authorize the Chairman and/or the County Administrator to develop and execute all necessary contract documents on behalf of the County; the motion carried:

In Re: Emergency Management Report

Mrs. Sarah Puckett, Assistant County Administrator, stated that following the July Board meeting and the interest expressed by members of the Board of Supervisors for the County to pursue grant funding for emergency generators, County staff learned of a grant opportunity which would help fund a generator for the County's primary emergency operations center (EOC). The Supplemental Emergency Management Performance Grant (SLEMPG) will provide up to \$50,000 in grant funding and has a 50/50 matching formula. Given that the grant deadline was July 20, 2012, the County Administrator authorized staff to pursue the funding, with the proviso that the Board of Supervisors would have to approve the matching funds, if the grant was awarded. The proposed grant request is for funding for a 150kW portable generator. The total cost of the generator project is \$105,450. The grant will fund up to \$50,000 and the county match

would be \$55,450. While more expensive than a fixed generator, the benefit of the proposed portable generator is that it can be moved to the location where it is most needed, in the event of an emergency.

Mrs. Puckett then stated that County staff is proposing the creation of a Prince Edward County Local Emergency Planning Committee (LEPC). In 1986, in the wake of the Bhopal, India disaster, Congress passed a law called the *Emergency Planning and Community Right to Know Act*, requiring every locality in the nation to form and maintain an LEPC. This group supports emergency planning for chemical hazards and provides the public with information about possible chemical hazards. It also serves in an advisory capacity for County emergency management planning. Historically, the County has participated in the Town's LEPC; however, the membership of the Town's LEPC does not cover all of the County's constituencies (e.g. the rural volunteer fire departments and EMS companies). Mrs. Puckett stated the Town has determined it will retain its current LEPC and is not interested in forming a joint LEPC. Therefore, the County will wish to form a County LEPC; the Board may wish to advertise for at-large citizen representation.

Discussion followed regarding the proposed LEPC and its oversight and advisory capacity.

Supervisor Cooper-Jones made a motion to authorize the creation of the Prince Edward County Local Emergency Planning Committee; the motion carried:

Aye:	Howard M. Campbell Pattie Cooper-Jones William G. Fore, Jr. Don C. Gantt, Jr. Robert M. Jones Charles W. McKay Howard F. Simpson Jim R. Wilck	Nay: None
------	--	-----------

Supervisor McKay made a motion to advertise for two at-large citizen representatives to serve on the Prince Edward County Local Emergency Planning Committee; the motion carried:

Aye:	Howard M. Campbell Pattie Cooper-Jones William G. Fore, Jr. Don C. Gantt, Jr. Robert M. Jones Charles W. McKay Howard F. Simpson Jim R. Wilck	Nay: None
------	--	-----------

In Re: Special Use Permit - Simpson

Mr. Bartlett stated the Prince Edward County Planning Commission will hold a Public Hearing on Tuesday, August 21, 2012 to gather citizen input prior to considering an application by David Simpson for a Special Use Permit for Commercial Kennel Use in accordance with the A-1 Agricultural Conservation Zoning District requirements. The purpose of the request is to construct a commercial kennel on a parcel identified as Tax Map Parcel 10-A-6 and located at 1371 Simpson Road in Prospect.

The Commercial Kennel Use would be co-located with a barn (36' x 84') constructed for horse stables. Horse stables are permitted by-right in the Agricultural Conservation (A-1) District; however, commercial kennels require a Special Use Permit.

Supervisor Campbell made a motion to authorize the advertisement of a Public Hearing to be conducted at the September 11, 2012 meeting, or at the first meeting following preparation of a recommendation by the Planning Commission; the motion carried:

Aye:	Howard M. Campbell Pattie Cooper-Jones William G. Fore, Jr. Don C. Gantt, Jr. Robert M. Jones Charles W. McKay Howard F. Simpson Jim R. Wilck	Nay: None
------	--	-----------

In Re: County Attorney's Report

Mr. Jim Ennis, County Attorney, stated that at its June meeting, the Board of Supervisors requested staff research a provision for barking dogs (and other companion animals) in the County *Noise Ordinance*. He stated a review has been conducted of numerous ordinances for approximately 30 counties across Virginia and discussed options for the Board's consideration. He requested input from the Board to include content and conditions for the amendment.

Discussion followed regarding enforcement of the ordinance and regarding a committee to work with the County Attorney to amend the County Noise Ordinance. Chairman Fore suggested Supervisor Wilck (Chair), Supervisor Jones and Supervisor Campbell.

Supervisor Gantt made a motion to appoint the recommended committee, consisting of Supervisor Wilck (Chair), Supervisor Jones and Supervisor Campbell, to work with the County Attorney to amend the County Noise Ordinance to include a section on animals; the motion carried:

Aye:	Howard M. Campbell Pattie Cooper-Jones William G. Fore, Jr. Don C. Gantt, Jr. Robert M. Jones Charles W. McKay Howard F. Simpson Jim R. Wilck	Nay: None
------	--	-----------

In Re: Subdivision Administrator

Mr. Bartlett stated Section 2-1 of the County's *Subdivision Ordinance* delegates the enforcement of the Subdivision Ordinance to the Subdivision Administrator. The County's practice for the last several decades has been that the County Administrator serves as the Subdivision Administrator.

The current contract of the County Administrator designates him as the zoning administrator but is silent as to subdivision administration. A review of County records and Board minutes has failed to produce action by the Board of Supervisors designating any person or position to serve as the subdivision administrator.

Supervisor McKay made a motion to appoint the County Administrator as the Subdivision Administrator, responsible for the enforcement of the Subdivision Ordinance; the motion carried:

Aye:	Howard M. Campbell Pattie Cooper-Jones William G. Fore, Jr. Don C. Gantt, Jr. Robert M. Jones Charles W. McKay Howard F. Simpson Jim R. Wilck	Nay: None
------	--	-----------

In Re: Local Aid to State Government

Mr. Bartlett stated the General Assembly has again reduced state aid to local governments and mandated the local governments to decide how best to absorb this reduction. In Fiscal Year 2013, the total state reduction is \$50 million with Prince Edward County's portion calculated to be \$155,139. The Board appropriated \$178,000 in the FY13 budget for this expense.

Each locality must select a reduction strategy and notify the Department of Planning and Budget (DPB) of that strategy. Localities may (1) Designate the reductions be withheld from payments for various programs provided by DPB; (2) Make reimbursement payment directly to the Commonwealth or (3) Combination of reductions and reimbursement.

Since 2009, Prince Edward County has elected to reimburse the state for its share of the reduction. The original budget language in 2009 which initiated this process clearly stated that once a locality elected a reduction of funding in any affected program, that reduction would be considered permanent. To ensure there is no perception by the Commonwealth that Prince Edward County authorizes any funding reductions, Mr. Bartlett recommended the Board once again make direct reimbursement to the Commonwealth and not designate any reductions.

Supervisor Wilck made a motion to approve the option of direct reimbursement to the Commonwealth and authorize the County Administrator to sign all necessary documents to inform the Commonwealth of this election; the motion carried:

Aye:	Howard M. Campbell Pattie Cooper-Jones William G. Fore, Jr. Don C. Gantt, Jr. Robert M. Jones Charles W. McKay Howard F. Simpson Jim R. Wilck	Nay: None
------	--	-----------

In Re: County Administrator's Report

Timber Thinning at Landfill – Mr. Bartlett advised the Board that a representative of the Virginia Department of Forestry contacted the County stating it may be time for the County to consider thinning the stand of pines on the property adjoining the landfill. The County owns approximately 580 acres at the landfill, a portion of which is used for landfill operations. A meeting will be scheduled with the Department of Forestry; recommendations will be brought to the Board.

Duck Hunting Permits at Sandy River Reservoir – Mr. Bartlett stated that about ten years ago, the Board of Supervisors began allowing duck hunting at the Sandy River Reservoir. At that time, the Board

enacted a county duck hunting permit as a control measure to limit the number of permits that were issued annually; the permit is issued free of charge.

County staff contacted the Virginia Department of Game and Inland Fisheries (DGIF) to determine if they have any objections to the elimination of the duck hunting permit. County staff received no feedback from the Wildlife Division or the Law Enforcement Division; DGIF has no objections to the elimination of the permit. Briery Creek Lake Wildlife Management Area, which is owned by DGIF, allows duck hunting and does not require a permit.

Supervisor Gantt made a motion to approve the elimination of the county permit for duck hunting at the Sandy River Reservoir as hunters are still required to purchase a state hunting license, state migratory waterfowl conservation stamp and federal duck stamp; the motion carried:

Aye:	Howard M. Campbell Pattie Cooper-Jones William G. Fore, Jr. Don C. Gantt, Jr. Robert M. Jones Charles W. McKay Howard F. Simpson Jim R. Wilck	Nay: None
------	--	-----------

In Re: Personnel Committee Report

Mr. Bartlett reported that the Personnel Committee, comprised of Supervisor Simpson (Chair), Supervisor Campbell and Supervisor Wilck, met on July 19, 2012; also present was the Commonwealth's Attorney and himself.

The Committee reviewed a request by the Commonwealth Attorney to be permitted to hire a new attorney for the open position as a Grade 21 Step 1 (\$52,583 with a total cost including benefits of \$70,517). The FY13 budget contains \$50,413 for the incumbent with a total cost of \$67,887. The request represents an increase in total cost to the County of \$2,630 which will be offset by vacancy savings. The Committee voted 3-0 to approve the request.

Mr. Bartlett then stated the Committee reviewed a request to temporarily increase the salary of the Planner from \$48,189 to \$53,037. The total increase to the County including benefits would be \$6,193 for a full year. The incumbent has assumed many of the duties of the Director of Planning & Community Development during his absence. The increase will be rescinded once the Director returns to employment.

Mr. Bartlett stated he also requested approval of a one-time payment of \$4,271 which is 20% of the difference in the salary of the two positions for the time already served fulfilling the additional duties. The additional costs will be more than offset by the placement of the Director of Planning & Community Development in a Leave Without Pay status which will reduce County expenses by approximately \$7,500 per month. The Committee voted 3-0 to approve the request.

Supervisor Simpson made a motion to approve the increase for the open position in the Commonwealth Attorney's office to Grade 21 Step 1 (\$52,583), and to approve the temporary salary increase of the Planner from \$48,189 to \$53,037, to include a one-time payment of \$4,271; the motion carried:

Aye:	Howard M. Campbell Pattie Cooper-Jones William G. Fore, Jr. Don C. Gantt, Jr. Robert M. Jones Charles W. McKay Howard F. Simpson Jim R. Wilck	Nay: None
------	--	-----------

In Re: Drought Watch Update

Mr. Bartlett stated that earlier in the day, staff received word from the State that the Drought Watch has been elevated to a Drought Warning for the Appomattox River Basin in south-central Virginia. He stated no additional action must be taken; all water conservation measures are voluntary unless localities issue mandatory restrictions if appropriate.

Mr. Bartlett reported that the flow of the Appomattox River at Farmville was at 19 cubic feet per second; the monitoring well in Buckingham has fallen almost half a foot since July 31st; the Sandy River Reservoir fell more than eight inches; and precipitation for the area was more than 10 inches below normal for the year. He added the County staff will continue to monitor the drought indicators.

In Re: Closed Session

Supervisor Cooper-Jones made a motion that the Board convene in Closed Session for the purpose of discussing a prospective business, where no public announcement has been made, pursuant to the exemption provided for in Section 2.2-3711(A)(5) of the *Code of Virginia*, and for consultation with legal

counsel pertaining to probable litigation, where such consultation in an open meeting will adversely affect the negotiating posture of the County, pursuant to the exemption provided for in Section 2.2-3711(A)(7) of the *Code of Virginia*; the motion carried:

Aye:	Howard M. Campbell Pattie Cooper-Jones William G. Fore, Jr. Don C. Gantt, Jr. Robert M. Jones Charles W. McKay Howard F. Simpson Jim R. Wilck	Nay: None
------	--	-----------

The Board returned to regular session by motion of Supervisor McKay and adopted as follows:

Aye:	Howard M. Campbell Pattie Cooper-Jones William G. Fore, Jr. Don C. Gantt, Jr. Robert M. Jones Charles W. McKay Howard F. Simpson Jim R. Wilck	Nay: None
------	--	-----------

On motion of Supervisor Jones and carried by the following roll call vote:

Aye:	Howard M. Campbell Pattie Cooper-Jones William G. Fore, Jr. Don C. Gantt, Jr. Robert M. Jones Charles W. McKay Howard F. Simpson Jim R. Wilck	Nay: None
------	--	-----------

the following Certification of Closed Meeting was adopted in accordance with the Virginia Freedom of Information Act:

WHEREAS, the Prince Edward County Board of Supervisors convened a closed meeting on this date pursuant to an affirmative recorded vote and in accordance with the provisions of The Virginia Freedom of Information Act; and

WHEREAS, Section 2.2-3712 of the *Code of Virginia* requires a certification by this Board of Supervisors that such closed meeting was conducted in conformity with Virginia law;

NOW, THEREFORE, BE IT RESOLVED that the Prince Edward County Board of Supervisors hereby certifies that to the best of each member's knowledge, (i) only public business matters lawfully exempted from open meeting requirements by Virginia law were discussed in the closed meeting to which this certification resolution applies,

and (ii) only such public business matters as were identified in the motion convening the closed meeting were heard, discussed, or considered by the Prince Edward County Board of Supervisors.
