Howard F. Simpson, Vice-Chairman

Pattie Cooper-Jones

Sally W. Gilfillan

Robert M. Jones

Charles W. McKay

James C. Moore

Lacy B. Ward

Also Present: Wade Bartlett, County Administrator; Sarah Puckett, Assistant County Administrator; Jonathan L. Pickett, Director of Planning and Community Development; James R. Ennis, County Attorney; Sharon Carney, Director of Economic Development and Tourism; Magi Van Eps, Marketing Assistant; Mable Shanaberger, Treasurer; Ron Van Eps, Building and Grounds Supervisor; and Dr. Oliver White Hill, Jr.

Chairman William G. Fore, Jr. called the meeting to order. Supervisor James C. Moore asked for a moment of silence and then Reverend Thomas Tillerson offered the invocation.

#### In Re: Special Presentation

Chairman Fore said, "Ladies and gentlemen, this evening the Prince Edward County Board of Supervisors has the opportunity to pay its respects to the life and legacy of a man who helped bestow upon our County, our Commonwealth and our nation one of the greatest gifts to future generations – that of the opportunity for equal education.

"Oliver White Hill, Sr., who passed on August 5, 2007 at the age of 100, was the lead counsel for *Davis v. County School Board of Prince Edward County*, which was one of the state cases consolidated into the Supreme Court case of *Brown vs. Board of Education*.

"In 1999, President Clinton said of Mr. Hill upon presenting him the Presidential Medal of Freedom:

'Throughout his long and rich life, he has challenged the laws of our land and

the conscience of our country. He has stood up for everything that is necessary to make

America truly one, indivisible and equal.'

"The courage and personal sacrifice made by individuals such as Oliver Hill, Sr. have changed forever our nation's future. And tonight, we are honored to have as our guest, Dr. Oliver W. Hill, Jr., who can speak first hand of his father's life and legacy."

Chairman Fore then read the Resolution of Respect, adopted at the September 11, 2007 Board of Supervisors meeting, as follows:

## Board of Supervisors of the County of Prince Edward, Virginia A Resolution of Respect

## Oliver White Hill, Sr. May 1, 1907 – August 5, 2007

**WHEREAS,** Oliver White Hill, Sr. was a native Virginian, born in Richmond in 1907; and

**WHEREAS,** Oliver White Hill, Sr. earned his undergraduate and law degrees from Howard University and practiced law in Virginia starting in 1934; and

WHEREAS, Oliver White Hill, Sr. became active in the national civil rights movement, using his law degree to serve as legal counsel in many of the Nation's most important civil rights cases establishing equal opportunity in education, employment, housing, transportation and the justice system; and

WHEREAS, Oliver W. Hill, Sr. represented the students of Robert Russa Moton High School in *Davis v. School Board of Prince Edward County, Virginia*, which became one of five cases consolidated in the 1954 landmark *Brown v. Board of Education* decision; and

**WHEREAS,** Oliver W. Hill, Sr. was an icon of the civil rights movement and a central figure in the history of Prince Edward County, Virginia;

**NOW, THEREFORE, BE IT RESOLVED** by the Board of Supervisors of the County of Prince Edward, Virginia, does join other Virginians in honoring the life and legacy of Oliver White Hill, Sr. for his efforts to promote racial equality, and ensure equal opportunities and justice for all.

Dr. Oliver Hill, Jr., said, upon receiving the Resolution, "I would like to thank the Board of Supervisors and like to thank the residents of Prince Edward County and Farmville. This is very special,

and one reason it's special is that I've gone to a lot of these kinds of programs and received awards on behalf of my father, and oftentimes there's a climate of pessimism that the legacy of Brown has not been fulfilled and that things have come to turn back. But when I come to Farmville, and when I see this audience and I see this Board of Supervisors, this is really a monument to my father, greater than any monument up on the Capital grounds here. And you all have much to be proud of as an icon to the whole country of what can happen when people work together. I want to thank you for this and I want to thank you for making the dream of Brown come true, to have a truly inclusive society here in Prince Edward County. On behalf of my father, I want to thank you again."

Chairman Fore then called a brief recess.

Supervisor McKay left the meeting during the recess.

### In Re: Public Participation

Chairman Fore called the meeting back to order, and said no one had signed up to speak and asked if anyone in the audience had any comment. Being no one wishing to speak, the public participation portion was closed.

## In Re: Treasurer's Report

Mrs. Mable Shanaberger said that at last month's meeting, she had touched upon the reason for the delay in the completion of written Treasurer's Reports, and said "a new auditing standard known as Statement on Auditing Standards 112 (SAS 112) was issued in May 2006 for all audits of periods on or after December 15, 2006. This standard required some changes in our accounting in order for Prince Edward County to be in compliance. These steps needed to be made prior to FY '07.

"In addition to these changes, the accounting books needed to remain open for 60 days after June 30, 2007. These changes have been made and FY '07 was closed on Thursday, October 4<sup>th</sup>. We are now working on the Treasurer's Report for July. In your November Board packet, you will have the end of the year reports by Fund for FY '07 as well as other reports.

"I can assure you that there is money in the bank to cover the County's routine expenditures."

Supervisor Simpson announced he and Mrs. Shanaberger were working on the County decal [program] for FY '09. He said the fee will remain, but the decals will not be issued for display on vehicles in 2009.

#### In Re: Introduction of the New Building and Grounds Supervisor

County Administrator Wade Bartlett introduced the new Building and Grounds Supervisor, Mr. Ron Van Eps. In introducing him to the Board, County Administrator W.W. Bartlett stated that Mr. Van Eps previously worked with the United States Department of the Interior, where he served as Trails Maintenance Supervisor for the National Park Service. Before that, he worked fifteen years in buildings and grounds maintenance, with thirteen years of that as a supervisor. He is a six-year veteran of the United States Navy, where he was a turbine systems technician, which included electrical systems. Mr. Van Eps will supervise the County's buildings and grounds department which manages the maintenance and housekeeping of all county-owned facilities and grounds.

## In Re: Highway Matters

Assistant County Administrator Sarah E. Puckett said Alan Leatherwood, Resident Highway Engineer, was unable to attend but gave updates on the various projects in the county. She said Miller Lake Road still lacks one signature; Hidden Lake Road also lacks one signature. She reported the Slaydon Forest Drive project began that day, and the stop light installation on Dominion Drive, which will be partially funded by revenue sharing, is anticipated to be completed prior to Lowe's opening in mid-December.

Supervisor Jones said a few landowners on Smith Drive inquired if the alleyways behind their properties were State property, and if there was a way for the land to revert back to the landowner. County Attorney Jim Ennis said the plats would need to be reviewed. A brief discussion followed.

Supervisor Moore asked Mrs. Puckett to pass along thanks to Mr. Leatherwood for the completion of the bridge on Route 634.

## In Re: Unveiling of Prince Edward County Web Site

Chairman Fore introduced Mrs. Magi Van Eps who presented the new County web site; she highlighted several pages of the web site at <a href="http://www.co.prince-edward.va.us">www.co.prince-edward.va.us</a> .

Mr. Bartlett said the web site will be maintained in-house, and updates will occur in a timely manner. Chairman Fore thanked Supervisors Sally Gilfillan, James Moore and Pattie Cooper-Jones for their leadership on the IT Committee.

### In Re: Request for Voluntary Boundary Adjustments

Chairman Fore stated two adjustments were presented: one from Woodland, Inc. (Holly Manor) for an adjustment on approximately one-acre of their property located within the County, and one from Blalock Real Estate Services for an adjustment of 67.2 acres located off Scott Drive.

Mr. Jonathan Pickett, Director of Planning and Community Development, said the Woodland group requested the full 13.2 acres instead of the original acre, as it would be easier for future options to have the entire property in the Town limits. He said developers from Chesterfield County are interested in the Birdsong property, consisting of 67.2 acres adjacent to Scott Drive. The developers are interested in building a single-family development, with half the home sites to be offered at market rate and half for elderly residents.

Supervisor Jones asked if a public hearing must be held by both the Town and the County. The Town would have to extend water and sewer if adjustments are made. Discussion of location, lot sizes, access roads, zoning, and water and sewer rates followed.

Mr. Ennis stated neither of the transmittal letters he reviewed indicated that the Town consented to the request for the Boundary Line Adjustment, and they are required to indicate acceptance. He said additionally, an agreement must be prepared from the Town of Farmville, as the Notice of Intent states that the Boundary Adjustment Agreement is available for inspection by the public, which is part of the public notice to holding a public hearing. A discussion on the process needed followed.

Chairman Fore asked for the proper procedure that must take place. Mr. Ennis said the first order of business would be to get the consent of the Town in regards to either or both properties being taken into the Town limits. Secondly, a preparation of the actual boundary adjustment agreement is necessary, which must be on file pursuant to the terms of the public notice. Then the public hearing would be held. Once the public hearing has occurred, the Board can then vote on the Boundary Adjustment Agreement, and after that, a petition must be filed in the Circuit Court of Prince Edward County, and the Court has to approve the Boundary Adjustment.

The Board agreed to wait for the Notice of Intent prior to scheduling a public hearing date.

### In Re: VACo Annual Conference

Chairman Fore said the VACo Conference will be held in November, and the designation of a voting delegate and alternate was necessary.

On motion of Mr. Jones and approved by the following vote:

Aye: Pattie Cooper-Jones Nay: None Sally W. Gilfillan Robert M. Jones James C. Moore Howard F. Simpson Lacy B. Ward

Absent: Charles W. McKay Abstain: William G. Fore, Jr.

the Prince Edward County Board of Supervisors appointed William G. Fore, Jr. voting delegate for the

VACo Conference.

On motion of Mr. Moore and approved by the following vote:

Aye: Pattie Cooper-Jones William G. Fore, Jr. Sally W. Gilfillan Robert M. Jones James C. Moore Howard F. Simpson Lacy B. Ward Nay: None

Absent: Charles W. McKay

the Prince Edward County Board of Supervisors appointed Mr. Simpson as alternate voting delegate for the

VACo Conference.

### In Re: November Board Meeting Date

Chairman Fore said that historically, the Board has changed the November Board meeting date as it conflicts with the annual VACo Conference. This year, the conference will be held November 11 - 13, and the regular Board meeting date is November 13.

On motion of Mr. Moore and approved:

Aye:Pattie Cooper-JonesNay: NoneWilliam G. Fore, Jr.Sally W. GilfillanRobert M. JonesJames C. MooreHoward F. SimpsonLacy B. Ward

Absent: Charles W. McKay

the Prince Edward County Board of Supervisors meeting date for the month of November will be Wednesday, November 14, 2007.

## In Re: Real Estate Policy Committee Report

Chairman Fore stated the Committee met on September 21 and drafted a Procedure for Disposition of Surplus Real Property.

Mr. Ennis said Paragraph #5 should be amended to read "... the Board of Supervisors may deviate from all or any portion of this procedure upon the unanimous vote of the Board members in attendance." A brief discussion followed.

Supervisor Moore made a motion that the Board approve the Procedure for Disposition of Surplus

Real Property as amended. The motion carried:

Aye: Pattie Cooper-Jones Nay: None William G. Fore, Jr. Sally W. Gilfillan Robert M. Jones James C. Moore Howard F. Simpson Lacy B. Ward

Absent: Charles W. McKay

### PROCEDURE FOR DISPOSITION OF SURPLUS REAL PROPERTY

Whenever the Board of Supervisors of Prince Edward County, Virginia deem it in the best interest of the citizens of said County to dispose of any surplus real property owned by said County, the following procedure shall be followed:

1. A public hearing shall be conducted prior to the disposition of said real property. In no event shall the public hearing be conducted no more than ninety days prior to the sale of the property. Notice of the public hearing shall be published in a newspaper of general circulation in said County not less than once a week for two successive weeks. Notice may also be posted on the County web page and posted on the notice board in the Prince Edward County Courthouse. ### In Re: County Administrator's Report

Mr. Bartlett said the report was a continuation of the implementation plan of the proposed Financial Committee approved at the Board meeting on August 14, 2007. He said the first step was to provide a 10-year history of Revenues, Expenditures and Fund Balances, which was provided at the September 11, 2007 Board meeting. He added the report provides a short review of the changes in the County's cash balances over the last several years, a projection of the cash balances at the end of FY 07 and FY 08, the budget imbalance in the General Fund, the affects of past decisions on future budgets, and the revenue growth the County has experienced.

# Mr. Ward left the meeting at this time.

Mr. Bartlett pointed out he will follow the ICMA Code of Ethics and will hold the staff to the same standards. The Code of Ethics requires the County Administrator to follow sound business practices as it pertains to the County administration, and to look after the interest of the citizens, to name a few. He said he feels serving the public is more of a calling than a job.

## In Re: Other Business

Mr. Ward commented on a Washington Post article titled "In Farmville, VA, Landmarks of a Landmark Case." He said the message he received from the article is that more is needed to promote the history of the area than the shopping, as the author of the article states.

Mr. Bartlett said the Civil Rights in Education Heritage Trail was included on the new County web site. Mrs. Sharon Lee Carney, Director of Economic Development and Tourism, said Virginia's Retreat is the marketing arm for the Civil Rights in Education Heritage Trail. She said they are working to perfect the integration of the Civil Rights in Education Heritage Trail into the SOLs for Virginia, and the 41 sites would be part of the 4<sup>th</sup> grade curriculum.

Mr. Jones said some of the local farmers had problems watering their cattle in 2002 because of the drought conditions, and made a motion that the Board again approve permission for the farmers to access the Sandy River Reservoir from the boat ramp to water their cattle. The motion carried:
