GREGORY A. WHIRLEY
COMMISSIONER

June 27, 2013

Mr. W. W. Bartlett, County Administrator
County of Prince Edward
Post Office Box 382
Farmville, VA 23901

Dear Mr. Bartlett:

It is an honor to introduce myself as your VDOT District Administrator serving our citizens within the 5,385 square miles of the Lynchburg District. With over 15,000 lane miles and more than 2,100 bridges in the district, it is clear VDOT plays a major role in sustaining a reliable surface transportation system for our area. This role contributes greatly to jobs and economic vitality, as well as to improving our quality of life and I am committed to advancing the VDOT role to serve those ends.

It also is an exciting time to be in transportation with a statewide focus upon infrastructure investment, performance and collaboration. The excellent employees of the Lynchburg District are focused upon delivering our projects and services safely, on time and on budget with quality. We are also focused upon sustaining and improving pavement and bridge conditions, reducing project delivery times whenever possible and strengthening partnerships with localities and industry.

I have 17 years of transportation experience with VDOT serving in a variety of leadership roles and have worked the past four years for Henrico County. During my time at VDOT and Henrico County I have worked to find solutions and deliver maintenance services and construction projects through relationships built upon trust. I recognize the excellent employees of this district have long standing positive relationships with many leaders in our region; it is my goal to empower and support them to continue to maintain, grow and cultivate these relationships. Mr. Kevin Wright, VDOT Residency Administrator, will continue to serve as the local government liaison as he remains situationally aware of all aspects of VDOT's business within the Dillwyn Residency. He may be reached at (434) 856-8063 or Kevin.Wright@VDOT.Virginia.gov.

In the coming months I would like to visit with you in order to listen to your needs and priorities, as well as to discuss how we may be of assistance.

In closing, I am very excited and honored to be serving you. I look forward to meeting in person. Should you have any questions, suggestions, ideas or concerns I can be reached at (434) 856-8173 or Chris.Winstead@VDOT.Virginia.gov.

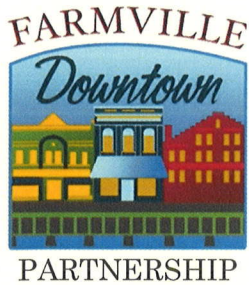

Sincerely,

Dear Chairman Fore,

On behalf of the Board of Directors for Farmville Downtown Partnership (Downtown Farmville), thank you for your continued support of the Main Street® program that so greatly benefits our community. Your financial support of \$10,000 for FY 2013 will enable us to better support the programs and activities of our organization leading to a stronger Farmville Downtown and, in turn, better contribute to the overall health of the County of Prince Edward

Additionally, we most appreciate your continued hospitality to our office and staff in the Virginia's Heartland Visitor Center. We hope you agree that the network being created among the County Tourism office, the Farmville Area Chamber of Commerce, The Town of Farmville, and Farmville Downtown Partnership holds the promise of the development of a comprehensive marketing campaign that will bring many people to our area to invest both their time and their dollars. Thank you for your foresight in making this consortium possible.

It will be our pleasure to be of service to you and the County of Prince Edward however we can. Your support is most appreciated.

Sincerely,

James H. Johnson
President
