The Prince Edward County Electoral Board met for a brief meeting in the Registrar's Office at 8:30 A. M. on January 10, 2020 prior to L & A testing of machines. Present were Dr. Sam Martin, Chairman; Charles Puckett, Vice- Chairman; Gwen Akers-Booker, Secretary to Electoral Board; Lynette Wright, General Registrar and Caitlin Bryant Deputy Registrar.

The meeting was called to Order by Dr. Sam Martin, Chairman. Our first order of business was to discuss the agenda of elections for the 2020 year. The General Registrar shared the dates and purpose of the elections with meeting times and how this year would place a lot of turn around on each of us as we meet deadlines as established by the state.

Next, we shared a list of poll workers and we were all in agreement with those who had submitted applications as of this date. Letters will be mailed out to each worker informing them of the upcoming Election that will be held on March 3, 2020. Our members then moved to the location where the machines would be tested for the upcoming election.

The Representative from **PrintElect, Gary Fox**, proceeded to calibrate and make the necessary update to the machines that will be used during the March 3rd Election.

With no further to do the meeting and L & A Testing of Equipment meeting adjourned at 12:30 PM

Respectfully submitted,
