

**PUBLIC NOTICE.** Prince Edward County intends to submit an application to the Department of Environmental Quality for renewal of Virginia Water Protection Permit (VWP Permit) No. 05-1464 pursuant to 9VAC25-210. The VWP Permit was issued to the County in September 2006 and expires in September 2021. Renewal of the VWP Permit is necessary to construct a water intake structure and associated infrastructure to withdraw water from the County-owned Sandy River Reservoir at a point near Reservoir Road. On or before December 30, 2020, interested persons may submit comments, questions, or requests for a public information meeting to Sarah Elam Puckett, Assistant County Administrator, by mail to: P.O. Box 382, Farmville, VA 23901; by email to [spuckett@co.prince-edward.va.us](mailto:spuckett@co.prince-edward.va.us); or by phone at 434-392-8837. Any oral or written comments received by that date will be considered by the County in the development of the application.
