

# PRINCE EDWARD COUNTY ELECTORAL BOARD

## Draft Minutes- L & T Testing

P.O. Box J  
Farmville, Virginia 23901

**September 15, 2017**

The Prince Edward County Electoral Board Members met on Friday, September 15<sup>th</sup> to conduct the L & A Testing scheduled from 9:00am until 3:30pm for our upcoming Election which will be held on Tuesday, November 7<sup>th</sup>. Mrs. Cindy Koether, Chairperson of the Republican Party was in attendance for the L & A Testing for a few hours. This testing is very intense and testing of the different ballot styles were performed as well as specifications as required by the State Department of Elections. Prior to moving to the location for L & A Testing (within the courthouse) the Electoral Board members approved new workers to be trained to help with the elections. Each member will be notified of their acceptance and there is an active listing of members in the Voter Registration Office. As we move forward during the month of October, each member will be required to be in attendance so they can be trained on our newly purchased equipment.

You may or may not be aware; the State mandated that all previous voting equipment be replaced by 2020. We, The Electoral Board wish to thank Mr. Wade Bartlett for helping to support his process during this time frame. Mrs. Lynette Wright, Voter Registrar, was able to purchase and secure the machines for all county precincts. Equipment has been tested and certified for the upcoming election. The Electoral Board Members along with Voter Registrar and other staff members remained during the entire L & A Testing.

We want to thank Mr. Tyler from Printelect for the training as well as the process of during the L & A Testing our upcoming election and we look forward to working with him during future elections to come. Electoral Board Secretary, Gwen Akers-Booker and General Registrar, Lynette Wright will be notifying all poll workers of the upcoming training which will be during the latter part of October, 2017.

Meeting Adjourned at 3:45 P.M.
