

Prince Edward Redistricting Plan 1 District Summary

District Count: 8

Total Reallocated
Prison Population: 21,727

Maximum Deviation: 271

9.98%

Average Deviation: 81

Redistricting requires localities to utilize the Reallocated Prisoner Population. Any person incarcerated in a federal, state or local correctional facility is to be counted as a resident of the locality where he/her address at the time of incarceration is located. County Census data was re-allocated by the Virginia Division of Legislative Services. Demographics of this total was not collected.

***Count: Each District Count is based on the Reallocated Prison Population.**

2.97%

Minimum Count: 2,619

Maximum Count:

2,890

Demographic Totals are based on True Census Counts.
