Nurse Practitioner: This position is responsible for providing psychiatric nurse practitioner services to individuals served by the Agency. Also responsible for ensuring compliance with state/federal regulations as they pertain to clinical documentation, Medicaid, Medicare and insurance policies and procedures. The ideal candidate will have the goal of becoming welcoming, recovery-oriented and co-occurring competent to engage all individuals receiving services in an empathic and hopeful manner to help them address multiple issues successfully. Primary job task will be to conduct diagnostic assessments, including history and mental status examinations to establish diagnosis, treatment recommendations and medication interventions. Must be a graduate of an accredited school of nursing and licensed to practice as a Nurse Practitioner with prescriptive authority and a valid DEA number in the State of Virginia. (Position #2360)

Registered Nurse (RN): This position is located in Farmville, VA and is responsible for direct nursing care under the instructions of a licensed Physician or Nurse Practitioner. Duties will include assessment, counseling and monitoring of mental health clients, ID/DD individuals and Substance Abuse consumers. The position requires close coordination with the Psychiatrists and Nurse Practitioners for the purpose of patient monitoring, patient scheduling and injections and dispensing of medications. Knowledge of the following is preferred: DD/ID services and substance abuse services and programs; psychiatric disorders; psychotropic medication usage and side effects in children, adolescents and adults; and principles, practices and standards of professional psychiatric nursing. Skills in the following are required: effective oral and written communication skills, strong interpersonal skills, and exceptional organizational skills. A license as a Register Nurse (RN) is required and experience in psychiatric nursing, counseling and treatment planning is preferred. Limited travel to our local clinics may be required.

Addiction Services Development Coordinator: The ideal incumbent is licensed or licensed eligible in the State of Virginia as a Licensed Professional Counselor and has well-defined experience working with individuals with substance use disorders, serious mental illness, and those with co-occurring substance use and mental health diagnoses. The ideal candidate is skilled in the diagnosis and treatment of these disorders, familiar with the ASAM criteria for the assessment of treatment needs for those with substance use disorders and co-occurring disorders, and has strong organizational and leadership skills. The ideal incumbent is also familiar with evidence-based and evidence-informed treatment methods for working with substance use disorders and is responsible for ensuring that all Crossroads treatment sites utilize evidence based or evidence informed practices. Knowledge required in the areas of behavioral health problems, substance abuse disorders ad co-occurring disorders, crisis and clinical intervention treatment management, clinical assessments and diagnoses and psychotropic medications and effects. (Position # 1965)

Lunenburg Clinic Supervisor: This is a great opportunity to operate a small rural clinic in Virginia. The position is responsible for monitoring and maintaining the delivery of clinical services within the assigned program site. The incumbent will provide direct clinical supervision to clinical staff in areas of clinical assessment and treatment. The incumbent will provide a full range of treatment and prevention services to clients with psychiatric, emotional, substance abuse and /or social problems. The incumbent must possess a graduate level degree in psychiatric, social work, psychology or directly related health field plus relevant years of experience in a clinical supervisory role. The incumbent must be licensed or licensed-eligible in Virginia as a Clinical Psychologist, LCSW, or LPC.

Human Resources Director: This position will report to the Executive Director. Generalist HR position responsible for overseeing the HR Department operations to adhere to organizational policies and procedures. Duties will include managing the HR Department budget and coordinating with management to ensure compliance with all relevant state and federal laws and regulations. Specific responsibilities will

include the following: Recruitment/Employment, Compensation/Benefits Administration, Training and Development, Performance Management, and Coaching of Staff. Must possess the following skills: strong leadership and management skills, organizational skills, solid verbal and written communication skills.
